Product NDC and Vial Presentation Changes

Dear Valued Customer,

Pfizer Hospital is pleased to share the NDC and vial presentation changes for **Camptosar® (Irinotecan Hydrochloride Injection, USP) 40 mg/2 mL (20 mg/mL) Single Dose Vial** and **Camptosar® (Irinotecan Hydrochloride Injection, USP) 100 mg/5 mL (20 mg/mL) Single Dose Vial** are now available at wholesalers and distributors (please note locational inventory may vary).

While there are differences in NDCs and vial presentations, as detailed in the Product Information table below, please note there are no change to unit of use prices, unit of sale sizes, or indications. Please keep in mind that as we transition to the new NDCs, 00009-7529-10 and 00009-0112-05, both labels may be in the marketplace temporarily.

340B INVENTORY REPLENISHMENT

Pfizer recognizes that a product transitioning to a new NDC number can impact product inventory accumulations for 340B covered entities. The Product Table below outlines both the existing and new NDCs. Because the new NDCs are for the same product (drug, dosage form, and package size), and have the same 340B prices as the corresponding existing NDCs, eligible 340B covered entities may use a 340B compliant inventory replenishment model to transfer accumulations of the old NDCs toward replenishment of equal quantities of the corresponding new NDCs.

TRANSITION TABLE

CURRENT NDC	NEW NDC INFORMATION			
Unit of Sale NDC Being Depleted	Unit of Sale NDC Being Made Available	Ordering & Shipping Options	Product Description	Unit of Sale Pack Size
00009-7529-04	00009-7529-10	Wholesaler & Distributor	Camptosar® (Irinotecan Hydrochloride Injection, USP) 40 mg/2 mL (20 mg/mL) Onco-Tain® Single Dose Glass Fliptop Vial	1
