**Product NDC Change for Ciprofloxacin in 5% Dextrose Injection, USP 400 mg/200 mL (2 mg/mL) Single Dose Flexible Container**

Dear Valued Customer,

Pfizer Hospital is pleased to share that the new NDC for Ciprofloxacin in 5% Dextrose Injection, USP 400 mg/200 mL (2 mg/mL) Single Dose Flexible Container is now available at wholesalers and distributors (please note locational inventory may vary). While there is a difference in product formulation and label, as detailed in the Product Information table below, please note there is no change to unit of sale size or indication.

We are requesting that customers begin to order the new NDC, 00409-3300-24, for all new orders. The current NDC, 00409-4777-02, is already depleted.

**TRANSITION TABLE**

CURRENT NDC	NEW NDC INFORMATION			
Unit of Sale NDC Being Depleted	Unit of Sale NDC Being Made Available	Ordering & Shipping Options	Product Description	Unit of Sale Pack Size
