**NDC and Labeling Change for Ciprofloxacin in 5% Dextrose Injection, USP
200 mg/100 mL (2 mg/mL) Single-Dose Flexible Container**

Dear Valued Customer,

Pfizer Hospital is pleased to share the new NDC for Ciprofloxacin in 5% Dextrose Injection, USP 200 mg/100 mL (2 mg/mL) Single-Dose Flexible Container is now available at wholesalers and distributors (please note locational inventory may vary).

While there is a difference in product formulation and label, as detailed in the Product Information table below, please note there is no change to unit of sale size or indication.

Please keep in mind that as we transition to the new NDC, 00409-2300-24, both NDCs may be in the marketplace temporarily. However, until it is depleted, we request that you continue using the current NDC, 00409-4777-23, when available.

TRANSITION TABLE
