**Product NDC Change for Idamycin PFS® (idarubicin hydrochloride injection),
10 mg/10 mL (1 mg/mL) Single Dose Vial**

Dear Valued Customer,

Pfizer Hospital is pleased to share the new NDC and vial presentation for Idamycin PFS® (idarubicin hydrochloride injection), 10 mg/10 mL (1 mg/mL) Single Dose Vial is now available at wholesalers and distributors (please note locational inventory may vary).

While there is a difference in NDC, label and vial presentation, as detailed in the Product Information table below, please note there is no change to unit of use price, unit of sale size or indication.

Please keep in mind that as we transition to the new NDC, 00013-2586-10, both labels may be in the marketplace temporarily. However, until depleted, we request that you continue using the current NDC, 00013-2586-91, when available.
