### Product NDC and Vial Size Change

Dear Valued Customer,

Pfizer Hospital is pleased to share that **Paclitaxel Injection, USP 30 mg/5 mL (6 mg/mL) Multiple Dose ONCO-TAIN® Glass Fliptop Vial** is now available at wholesalers and distributors (please note locational inventory may vary).

While there is a difference in NDC and vial size, as detailed in the Product Information table below, please note there is no change to fill volume, formulation, packaging quantities, or indications. Please keep in mind that as we transition to the new NDC, 61703-0015-04, both labels may be in the marketplace temporarily.

### 340B INVENTORY REPLENISHMENT

Pfizer recognizes that a product transitioning to a new NDC number can impact product inventory accumulations for 340B covered entities. The Product Table below outlines both the existing and new NDCs. Because the new NDC is for the same product (drug, dosage form, and package size), and has the same 340B price as the corresponding existing NDC, eligible 340B covered entities may use a 340B compliant inventory replenishment model to transfer accumulations of the old NDC toward replenishment of equal quantities of the corresponding new NDC.

### TRANSITION TABLE

CURRENT NDC	NEW NDC INFORMATION			
Unit of Sale NDC Being Depleted	Unit of Sale NDC Being Made Available	Ordering & Shipping Options	Product Description	Unit of Sale Pack Size
61703-0342-09	61703-0015-04	Wholesaler & Distributor	Paclitaxel Injection, USP 30 mg/5 mL (6 mg/mL) Multiple Dose ONCO-TAIN® Glass Fliptop Vial	1

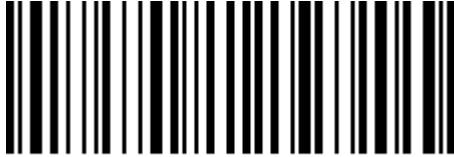

For more information on recent Pfizer Hospital product NDC changes, visit [PfizerHospitalUS.com/ndc-changes](https://PfizerHospitalUS.com/ndc-changes).

Wholesaler numbers and barcodes have been included below for ordering the new NDC presentation.
