

Click for full [Prescribing Information](#) for
R-Gene® 10 (Arginine Hydrochloride Injection, USP)

Pfizer Inc.
66 Hudson Boulevard East
New York, New York 10001

December 8, 2025

**Availability Update for R-Gene® 10
(Arginine Hydrochloride Injection, USP) 30 g/300 mL (0.1 g/mL)**

Dear Valued Customer,

Pfizer Hospital is committed to providing timely supply information so that you can plan for patient care. As such, we want to share that we are experiencing a brief interruption in supply of **R-Gene® (arginine hydrochloride injection, solution) 30 g/300 mL (0.1 g/mL)** as captured in the Product Table below. We expect shipments to wholesalers to resume mid-week of December 8, 2025, clearing all back orders and returning the product to supply available status.

Unit of Sale NDC	Description	Pack Size	Ordering & Shipping Method
0009-0436-01	R-Gene® 10 *Arginine Hydrochloride Injection, USP) 30 g/300 mL (0.1 g/mL)	10	Wholesaler & Distributor

For additional product availability questions, please reach out to your Pfizer Hospital Sales Representative or Account Director. Alternatively, the Supply Continuity Team can be contacted between 7am and 5pm CT at 1-844-646-4398 (select option 1 [Customer], then option 3 [Supply Continuity Team]).

Regards,

Stephanie Harvell
Endocrine Marketing Team Lead
Pfizer Rare Disease U.S.
